

Namrata Kaul

Member of CARE International Supervisory Board

Namrata Kaul is a career banker and has over 30 years of experience in finance, spanning across corporate & investment banking functions, global markets and treasury operations. She joined Deutsche Bank in 1994 and worked in multiple functions and held several leadership positions in India and UK. She served as the Managing Director and Head of Corporate Banking Coverage for Deutsche Bank in India, where she was responsible for business management and client coverage for the bank's key client relationships in the Public Sector, local corporate and multinational segments across India. Prior to that she was Head of Asia Business for Deutsche Bank based out of London, engaged in a multi country interface to define and execute an Asia Focus Strategy. She was a member of the Deutsche Bank India board as well as a Founder member of the bank's Diversity Council. She has earlier also worked with ANZ Grindlays Bank in various leadership roles across Treasury, Corporate Banking, Debt Capital markets and Corporate finance.

Namrata is a Member of the Board of Directors at CARE India since September 2011 and is currently Chair of the Audit & Finance Committee. She also serves as Independent Director on Boards of several other private companies and non-profit organizations and is a Mentor at PadUp Ventures, a start-up incubator offering advisory services to early stage tech and digital companies in India. She is a Management graduate from the Indian Institute of Management, Ahmedabad and is a Chevening Scholar, Leadership & Excellence from the London School of Economics and Political Science.
